

Resolutions – 8/16/18

1. Speed Control – Resolved, that the Town Supervisor is authorized to purchase two radar speed control devices at a cost not to exceed \$6000.

2. Weight Limits on CR8/8a – Resolved, that the Town Supervisor is authorized to retain an attorney to develop a local law, at a cost not to exceed \$1000, which, if adopted, will allow the Town to establish a 5 ton weight limit on County Routes 8 and 8a in Ancramdale, with the provision that that local deliveries, town, county and state highway department vehicles and emergency vehicles will be exempt from this local law.

3. Tree Trimming at Town Hall – Resolved, that the Town Supervisor is authorized to obtain proposals to trim the 7 river birches adjacent to the Town Hall, and is authorized to accept the lowest qualified proposal and have the work done for a cost not to exceed \$3000.

4. Volunteer Fire Fighter Cancer Benefit – Resolved, that the Ancram Town Board supports the County of Columbia proposal to use Town and County workers compensation fund savings to pay for the required Fire Fighter Cancer Benefit Program mandated by NYS effective 1/1/19, understanding that the County payment of the Fire Fighter Cancer Benefit will be budget neutral for the County and Towns in the County.
