---

The Public Hearing for the 2023 Tentative Town of Ancram Budget was called to order by Supervisor Arthur Bassin at 6:55pm.

Mr. Bassin asked if the Town Board had any questions at this time. There were none.

Councilman Boice said that he would like to see a tax break this year especially with the increased costs of fuel and food for the winter.

Mr. Bassin said that the sales tax numbers are strong right now but that there is no prediction for the coming year. If sales taxes come in 3-5% higher in 2022 and 2023 as the County expects we could see a \$30,000-\$40,000 improvement in our 2023 sales tax revenue budget.

There were no comments from the public at this time.

A motion was made by Councilwoman Gold and seconded by Councilwoman Hundt to close the public hearing. Motion carried.

Respectfully submitted by,

Monica R. Cleveland  
Town Clerk, Town of Ancram
