

July 2024 Supervisors Report **James MacArthur**

The month has been relatively quiet. Both the Camp program and the Pool have opened for the season. The Camp will be at the Town Hall on Tuesdays.

The Town Clerk and I are making our way through the list of escrow accounts. We will be cutting checks for remaining balances that continue to be held for completed applications.

After advertising, I hired Liz Rueger as the cleaning person for the Town Hall. We have been without a cleaning person since January.

We have received one applicant for the deputy Planning and Zoning board clerk. I have handed application over to the chairs of the Planning and Zoning boards to proceed with the interview process. We have not had any bites on the advertisement for the deputy ZEO/CEO.

The Columbia County Veterans Service officer Gary Flarity has retired and the county has hired a replacement.

The process at the county to move Board of Elections, Probation, Public Defender and DA to 11 Warren St continues.

The Pavilion project at Blass Field is ongoing. I have no new information to report.
