

# Ancram Highway Dept Monthly Report

## *July Report*

Diesel Fuel used: 502 gallons

Gasoline used: 530 gallons

\*I have filed the paperwork for CHIPS funding from the state for \$232,911.71 for work done on Crest Ln, Town/Maple in Ancramdale and Roche Ln. We should receive reimbursement in mid September. That leaves us with about \$88,000 still to collect on projects yet to completed.

\*We added about 675 tons of gravel to Over Mt rd

We have been assisting the Town of Northeast with paving and Will be assisting Taghkanic, Copake ,Hillsdale and Gallatin with their projects when they are ready.

\*I expect the rental tractor mower the week of 8/19 and our tractor will make the return trip to have the new mower installed.

We are scheduled to Chip seal about 3 miles of road 8/19

\*The employee who has injured his back and has been out since 4/18 and had his surgery 7/8.He expects to be back on light duty soon.

\* New plow truck update: The chassis is slated to be built on 9/12 and delivered by Oct. From there, it still needs to have the plow equipment and body installed.

Respectfully submitted  
James Miller Highway Superintendent
