

Town Clerk Report

For the month of August I sold two dog licenses for the total of \$12.00.

I have been working with the Town Supervisor to change over to our new accounting firm and payroll company. I have received most of the documentation from the employees that I need. I have been scanning and sending numerous documents to both the accounting firm and the payroll company as well as attending meetings with them. We are hoping that the transition will be as smooth as possible.
